

Welcome to the Berthoud Gun Club. You have chosen to become a members of a premier hunting, fishing, trap and camping club located in the Berthoud, Longmont and Mead area. Your club was established in 1952 and has grown greater since its inception. We do limit our membership to 125 members to give you the best chance to be able to enjoy all of our amenities, hunting, fishing, trap shooting and camping.

As a member of this exclusive club you have assumed the responsibilities of any club; helping to maintain its grounds, keeping it safe, keeping it cleaner then when you arrived and reporting any maintenance items you see needing to be fixed to keep your club safe. You are not the sheriff but are expected to report any violations you may observe to the Board of Officers.

We have three (3) lakes that are accessible 365 days a year for fishing with some restrictions during the waterfowl hunting season. The St. Vrain River runs between the lakes and it can also be hunted during the appropriate season and fished year round. If you fish the St Vrain, you must comply with the State Regulations governing fishing. It is your responsibility to be safe and observe all of the State and Club rules and regulations. Please review the Club hunting and fishing regulations before hunting or fishing the property.

If you prefer shooting trap we suggest you join our trap league on Thursday nights, it is a great way to meet other members and show off your shooting skills at the same time.

Our lakes are stocked with bass, catfish, crappie, yellow perch and walleye. We keep them well fed with flathead minnows, gizzard shad and bluegills.

We currently have ten (10) permanent duck/goose blinds located around the North Lake and Crappie Pond. To be able to hunt in these blinds you must contact a "Blind Captain" and reserve a blind to hunt from. This is another way to meet other members and make long lasting friendships.

We have several work days a year and you are expected to make one of these work days, most of the work is not that hard but it is required that you participate. If you chose not to, we will assess you \$100.00 for the year. As you can see we'd rather have you work then pay the non-work day fee.

Again welcome to the Berthoud Gun Club have fun and be safe.

Kevin Lamar,
President
